Aqualine

STEEL TANKS is Bushmans premium range of steel water tanks with a high quality food-grade poly liner. The sizes range from 20,000L to 360,000L. Aqualine offers a reliable and long-lasting water storage solution.

The tank's thick corrugated wall sheets (ASL20 - ASL125 has .90mm for bottom and top sheets & ASL150 and up has 1.15mm for bottom sheets and .90mm for top sheets) ensure durability, while the extra truss provides enhanced structural integrity to withstand heavy water pressure and severe weather. Aqualine tanks come with a simple ten-year guarantee, no anodes or warranty servicing required, giving you peace of mind with the quality and performance of your water storage solution.

QUALITY TANKS SINCE 1989

Why Bushmans

Australian Made & Owned

Bushmans tanks are Australian owned & made with facilities in NSW, QLD, VIC & SA.

35 Years Of Experience

Bushmans tanks have been manufacturing and delivering high quality water tanks since 1989.

10 Year Guarantee

Bushmans poly water tanks come with a ten year fix or replace guarantee.

SunSmart® Technology

Bushmans poly water tanks last longer because they're made using an exclusive UV stabilised raw material.

Delivered & Fittings Installed

Bushmans tanks delivery specialists deliver, position & install your fittings onsite.

AS/NZS 4766:2006

Australian Certified Factories

Bushmans tanks manufacturing facilities are certified to Australian standards.

Quality Tested for Extreme Durability

Bushmans tanks are expertly designed & rigorously tested for extreme durability.

Food Grade Product

Bushmans poly water tanks are BPA free and food grade.

Recyclable Product

Bushmans poly water tanks are recyclable and multiuse.

Supporting Local Stores

Bushmans supports hundreds of resellers across Australia.
